Is a medical exam required?

You must complete a standard application. When you apply, simply answer the health questions. Even if you have a health condition, you may still qualify. Depending on the amount applied for, a paramedical exam and blood test may be required, which will be scheduled at your convenience and at no cost to you.

Will this plan pay in addition to other coverage?

Yes. The annual renewable plan pays in addition to any other insurance coverage you have. The plan also stays with you until your coverage ends — even if you change jobs. If also electing coverage under the 10-year or 20-year level term life insurance, a combined maximum benefit amount of \$1,150,000 between the annual renewable term, 10-year, and 20-year level term life insurance plans will apply.

How long can my coverage continue?

Your coverage can continue as long as you pay your premium when due, have not reached age 70, remain in an eligible class, the insurance continues for your class, and the policy remains in force. Please see the certificate of insurance for details.

Would I have the ability to continue coverage, should my plan end?

Yes, in many instances. If your insurance ends for a reason other than non-payment of your premiums, you may be able to convert your coverage into a term life insurance policy from Metropolitan Life Insurance Company or an affiliate without providing evidence of insurability. Please see the certificate of insurance for details, including eligibility for conversion and amount of coverage that may be converted.

How do I pay for my coverage?

Please contact your plan administrator at 1-651-259-9001 for information about your payment options.

Are there any exclusions to my coverage?

Yes. Benefits will not be paid if the member's or dependent's death occurs from suicide, or if health is misrepresented, within 2 years from the date life insurance for you takes effect.
